RESEARCH INTERESTS

Forecasting, GenAI, Natural Language Processing, Deep Learning, Healthcare Information System

EDUCATION

- Master of Science** **Business Analytics.** *Capstone project: "Investigating Influencer Endorsements for Adidas: A Data-Driven Approach."*
Arizona State University, 2021
- Bachelor of Science** **Business Analytics.** *Capstone project: "A Framework of Predictive Analysis with IMDb Data."*
University of Kansas, 2020

RESEARCH EXPERIENCE

- Senior Research Fellow** 2023.01 – 2025.01
The Industrial Development Research Institute (IDRI)
Shandong University of Finance and Economics
- Volunteer Researcher** 2021.05 - 2023.05
Analytics, Information, and Operations Management (AIO)
University of Kansas
- Student Researcher** 2020.10 - 2021.05
Adidas Actionable Analytics Lab
Arizona State University
- Research Assistant** 2020.01 - 2020.05
Analytics, Information, and Operations Management (AIO)
University of Kansas
